

# MILTON ABBOT GROUPED PARISH COUNCIL

(Parishes of Milton Abbot, Chillaton, Dunterton and Bradstone)

To all Members of the Community

21st September, 2011

---

## EXTRAORDINARY PARISH COUNCIL MEETING

TO BE HELD AT 7.30PM

ON

THURSDAY 29<sup>TH</sup> SEPTEMBER, 2011

AT THE MILTON ABBOT VILLAGE HALL

### CHANGE OF AGENDA

At the Public Consultation held by the proposed wind turbine's developers, Murex Energy, and their consultant, aardvark, last week it was clear to the Milton Abbot Grouped Parish Councillors in attendance that the majority of Milton Abbot parishioners are not in favour of the proposal to place a single wind turbine at Ramsdown, or indeed at Borough, Meadwell. As such, it appears unnecessary to hold another public meeting solely to ascertain the community's view again.

Given this, the Parish Council would now like to use the above meeting to listen to any additional concerns, to reflect on the 15<sup>th</sup> September meeting and to determine its view on the proposal, which it will then send to West Devon Borough Council for their consideration. The developer will also receive a copy.

It is proposed the agenda of the meeting is as follows:

1. Open Session (7.30pm – 8.30pm)
2. Summary of Comments heard at the Public Consultation, from the developers and residents
3. Determination of the Parish Council's view to be given to West Devon Borough Council.

If you have any views or opinions which you feel were not raised at the meeting, please let the Parish Council know by e-mailing or writing to the Parish Clerk (contact details given below) or by coming along to the meeting. Thank you.

Mrs S F Snow  
Clerk to the Milton Abbot Grouped Parish Council  
Willesley Farm  
Milton Abbot  
Tavistock  
Devon  
PL19 0QB
